Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**  
**UNDER 37 C.F.R. § 1.97(c)**

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(c), Applicants bring to the attention of the Examiner the documents listed on the attached PTO/SB/08 form. Applicants file this Information Disclosure Statement (IDS) after the period set forth in 37 C.F.R. § 1.97(b), but before the mailing date of either a Final action, Quayle action, or a Notice of Allowance, to the undersigned representative's knowledge at the time of filing this IDS. This IDS supplements the IDSs filed on February 4, 2004, May 5, 2005, and August 10, 2005.

Under the provisions of 37 C.F.R. § 1.97(c), this Supplemental Information Disclosure Statement includes the following certification as specified by Section 1.97(e): the documents listed in this IDS were first cited in a Korean Office Action mailed by the Korean Patent Office on November 30, 2005 in a counterpart foreign application, and this IDS is being filed within three months of the mailing date of that communication.

Applicants attach copies of the listed documents. Applicants respectfully request that the Examiner consider the listed documents and indicate their consideration by making appropriate notation on the attached form.

In lieu of a statement of relevance or full translation of the non-English document KR 2001-0109154, Applicants enclose a Korean Patent Office Action entitled "Notification for Filing Opinion," mailed on November 30, 2005 in a counterpart foreign application, citing and setting forth the relevance of that document. An English language translation of the Korean Patent Office Action is also enclosed.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed documents are material or constitute "prior art." If the Examiner applies any or all of the documents as prior art against any claim in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present the relevant facts and law to the Office regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should any or all of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
